

Getting to know you...

Thank you for your interest in Hastings Internal and Family Medicine, a “Patient-Centered Medical Home.” We are committed to providing quality personal service to all of our patients. Hastings Internal and Family Medicine does not discriminate on the basis of age, race, gender or medical insurance, although we do not participate with all insurance plans.

Please answer the questions on the following page to let us know more about you. Completion of this and the registration form does *not* guarantee acceptance into the practice, and does *not* create a physician-patient relationship. Information you provide will be shared only with your permission.

We are looking forward to serving you! Your first appointment will be a “get-acquainted” visit to complete your medical record and identify your health needs.

Pharmacy checks are completed on all new patients to verify prescriptions of scheduled medications.

If you need help completing this form, notify any of our staff and we will be happy to assist you.
